

Zainal Muzafar

Supporting Trainer

Zainal Muzafar, a certified HRDF/HRDC trainer, is celebrated for bringing an unmatched level of passion and expertise to his team-building sessions. His remarkable ability to craft unforgettable team-building experiences is evident through his significant contributions to Learning Edge's program portfolio. With a keen focus on innovative business simulation activities, Zainal ensures that every workshop is not only educational but also profoundly engaging and impactful.

He has pioneered several of Learning Edge's most acclaimed activities, including the adrenaline-fueled Samurai Warrior Challenge. This activity encourages participants to engage with ancient warrior strategies while applying them to contemporary business challenges, offering both excitement and deep insights. Another standout is the Picasso Mural Challenge, where participants express their creativity and collaboration skills by creating a large-scale mural, fostering a sense of unity and shared accomplishment.

Additionally, Zainal's 'Let's Talk Finance' program, powered by the innovative Colour Accounting Learning System, transforms complex financial concepts into clear, approachable learning experiences. This program particularly stands out for its ability to make finance accessible and engaging for non-finance professionals, enhancing their financial literacy and decision-making skills.

Experience the magic of Zainal Muzafar's unique approach to team building and professional development. His programs are designed to challenge, inspire, and transform participants, ensuring they walk away with valuable skills and a renewed sense of team spirit.
